The LOG
Of

The
GREAT GILDERSLEEVE

Throckmorton P. Gildersleeve, played by Harold Peary , was the neighbor of Fibber McGee and Molly in Wistful Vista. On August 31, 1941, the character was spun off from The Fibber McGee and Molly Program. Gildersleeve moved to Summerfield and his own show on The NBC Network. Gildersleeve moved to Summerfield because he became the guardian of his niece and Nephew. Marjorie and Leroy Forrester. Marjorie was first played by Lurene Tuttle. She was followed by Louise Erickson and finally by Mary Lee Robb. Leroy was played by Walter Tetley. Earle Ross was Judge Horace Hooker . Lillian Randolph was Birdie Lee Coggins, the house maid and cook. Harold Peary would leave the show for what he thought was greener pastures and he was replaced by Willard Waterman on September 6, 1950. Waterman was such a close match to Peary, that many listeners did not hear the change.
