## THE NEW ADVENTURES of MIKE SHAYNE w/Jeff Chandler

Brett Halliday's hard-boiled detective, MICHAEL SHAYNE, came to radio over the Mutual Don Lee Network on the west coast in 1944 and went coast to coast in 1946. This first series left the air in 1947. In 1948 the series was revived as the New Adventures of Mike Shayne and starred Jeff Chandler as the "reckless red-headed Irishman.
